The new Wednesday schedule takes effect September 8.

Please register your kids for Wednesday Church School if you have not already. We need a registration form for elementary and youth who are planning to attend. There is a \$25.00 fee for materials. Forms are available in the narthex.

Thanks to the grace and talent of Mrs. Bonnie Pulver, we will again have warm meals provided to us every Wednesday, and we won't have to cook! Thank you to Joe Haberthier for agreeing to be her sidekick (sous chef lessons provided by Mr. Scott Pulver!). If you plan to attend the Wednesday meals, please let Aimee know (682-4789) and be sure to bring \$5.00 per person (maximum: \$20.00 per family). If you have special dietary needs, please let Aimee or Bonnie know. Children will eat first so they may proceed to choir practice early. The meal will be served from 5:30pm until 6:15pm. We need volunteers to clean the Fellowship Hall following the meal every week. Will you help?

We will need volunteers to sign up monthly, or quarterly if possible, to lead craft time at kids school. You don't need to have a child that attends to help! Volunteering for craft time entails devoting Wednesday evenings from 6:15pm-7:15pm to being downstairs with the elementary-age children. Craft could be something you create or can be something from the curriculum Jodi Antinori is using to teach the lesson. Contact Laura Watrous if you will volunteer: 284-5055.

Finally, if you have a topic you would like to study, or lead study on, please let Aimee Tomcho or Pat Skinner know. We are excited for this fresh, new approach and look forward to opening a realm of possibilities!

Wednesday Night Fellowship is currently studying *Living the Questions*.

"Many have a sense that they are alone in being a "thinking" Christian and that "salvaging" Christianity is a hopeless task. What is needed is a safe environment where people have permission to ask the questions they've always wanted to ask but have been afraid to voice. *Living the Questions* is a source of curriculum and media for both seekers and 'church alumni/ae' convinced that Christianity is indeed relevant to the 21st Century."

Stretch your understanding of faith.
